Wednesday	Secondary Dance Club	The Dance ASA is specifically for students who wish to form a collective dance group and learn choreography. Students will also have the opportunity to be part of performances both at school and represent DIS in the wider community. Hopefully, we have the next Dubai Desert Dance Competition (early February 2017) to look forward to and that is something we will be working towards once the details have been finalised and our ASA club begins. Dubai Desert Dance has been running for the past few years and DIS have been a fundamental part of this up and coming celebration of Dance in Dubai. DIS Dance Leaders will have ownership over the routines and the work that is rehearsed in Dance ASAs will contribute, therefore meaning that DIS Dance Crew members must regularly attend Dance Club in order to keep up to date with choreography being rehearsed for upcoming performances. □	DIS	WILLIAMS, Samantha	Secondary Cafeteria
