

Objective: To
better
understand
where TOK
fits into the
IB.

What do you know...

- ...about Theory of Knowledge?
- Discuss and write your progress form.
- You have **three minutes**.

Success Criteria...

Task One...

- What is your **first impression** of this image?
- **Discuss** with the people in your group.
- You have **one minute**.

TOK is about...

...the things that affect the way you see the world and understanding other individual's perspectives.

Task Two: the Situation...

- Imagine that YOU have been elected to the position of Minister of Education of your country and that YOU have been given the task of devising the best possible educational curriculum for the nation.

Task Two...

However you are given only three preconditions:

- 1.) Your aim must be to produce the best individuals and the best society possible.
- 2.) You can only teach **four subjects**.

You have **eight minutes** to discuss, come to an agreement and write your thoughts on the large sheet of paper.

Task Two...

- What are the ideals of the society that have determined those aims?
- Where did those ideals come from? On what grounds are they justified?
- What conflicts can arise from those ideals?
- You have **four minutes** to discuss.

Task Two:

- TOK is about how **our subject areas** work together and are part of a **much larger web** of knowledge that makes up the world we live in.
