DIS HOMEWORK POLICY

At DIS we have a homework policy and schedule that involves regular homework for the minimum of 5 nights per week.

Homework is regularly set in the classrooms, but the school expects that as Secondary School students regular revision of set work and past test and exams, research, reading around the topics, extra study of textbooks and worksheets should be undertaken nightly.

The school expects that the following time allocations should be adhered to 5 nights per week.

- Year 6** – 1 hour minimum NIGHTLY
- Year 7** – 1½ hours nightly
- Year 8** – 1½ hours minimum nightly
- Year 9** – 2 hours per night
- Year 10** – 2½ hours per night
- Year 11** – 2½ hours minimum per night
- IB1 and IB2** – 2½ hours per night minimum 6 nights per week and extra study as directed.

A regular routine needs to be established and adhered to.
