Assessment Policy

Date	07 July 2021
Review Date	07 July 2022
Owner	Director
Author	Sarah Smith, Barry Lomas
Version	Version 2
Policy Type	Board
Circulation	External
Date Authorised	07 July 2021
Authorised By	Board of Governors

AIMS OF THE POLICY

- To provide a clear outline of assessment techniques
- To ensure assessment is used as a tool to inform planning, track and raise progress and attainment
- To ensure a consistent approach to assessment

PURPOSE OF ASSESSMENT

- To inform feedback for students
- To identify and support the next steps in learning and teaching
- To inform planning to ensure it reflects the needs of all students
- To measure and analyse the attainment and progress of individuals, groups and cohorts of students
- To provide data to inform school improvement planning, measure school performance and effectiveness
- To report information to parents to ensure knowledge of their child's strengths and areas of development

TYPES OF ASSESSMENT

Formative Assessment

Formative assessment strategies are used regularly in every lesson to assess all student's knowledge, skills and understanding, identify gaps, misconceptions and provide effective feedback to maximise student's progress. Formative assessment is used to guide the journey of learning throughout a lesson and sequence of lessons. Strategies for formative assessment include questioning, discussion, observation, Timestable Rockstars, Numbots, Century Tech, marking and feedback, self and peer assessment against success criteria

Summative Assessment

Internal and external summative assessments are carried out throughout the year to provide age standardised scores for students, measure attainment and progress of cohorts, complete gap analysis, inform interventions and compare performance of cohorts nationally at each moment in time. Trends in data are analysed and actions identified to improve progress and attainment.

Year Group	Internal Summative Assessments	External Summative Assessments
Foundation Stage One	<ul style="list-style-type: none">• Tapestry	
Foundation Stage Two	<ul style="list-style-type: none">• Tapestry• Phonics – Letters and Sounds	<ul style="list-style-type: none">• Good level of Development
One	<ul style="list-style-type: none">• PIRA• PUMA• Phonics – Letters and Sounds• G4 Schools	<ul style="list-style-type: none">• Phonics Screening• GL – PTE• GL – PTM• GL – PTS

DEFINITIONS OF PROGRESS AND ATTAINMENT

Progress

Phase	Definition	Example
Foundation Stage	<p><u>Below Expected Progress</u></p> <p>If the students make less than 4 steps progress though the age bands they will make 'Below Expected Progress'</p>	September 2020 – 40 – 60 Emerging to July 2021 – ELG Emerging
	<p><u>Expected Progress</u></p> <p>If the students make 4 steps progress though the age bands they will make 'Expected Progress'</p>	September 2020 – 40 – 60 Emerging to July 2021 – ELG Secure
	<p><u>Above Expected Progress</u></p> <p>If the students make 5 or more steps progress though the age bands they will make 'Below Expected Progress'</p>	September 2020 – 40 – 60 Emerging to July 2021 – ELG Exceeding
Primary and Secondary	<p><u>Below Expected Progress</u></p> <p>If Students don't make the same attainment grade the next academic year then they will make 'Below Expected Progress'.</p>	<p><u>Primary</u></p> <p>Year 3 July 2019 – Secure Year 4 July 2020 – Working towards</p> <p><u>Secondary</u></p> <p>Year 10 July 2019 – Grade 5 Year 11 July 2019 – Grade 4</p>
	<p><u>Expected Progress</u></p> <p>Students who maintain the same attainment grade from the end of one academic year to the next meet the 'Expected Progress'</p>	<p><u>Primary</u></p> <p>Year 3 July 2019 – Secure Year 4 July 2020 – Secure</p> <p><u>Secondary</u></p> <p>Year 10 July 2019 – Grade 5 Year 11 July 2019 – Grade 5</p>
	<p><u>Above the Expected Progress</u></p> <p>If students finish the academic year on a specific attainment grade and subsequently increase their attainment by <u>one full</u> DIS attainment grade the following year, they will make 'Above Expected Progress'.</p> <p>If, however the attainment grade, at the end of the academic year is above 'Expected Attainment' then students will make 'Above Expected progress' if the grade is maintained or better in the following year.</p>	<p><u>Primary</u></p> <p>Year 3 July 2019 – Secure Year 4 July 2020 – Secure + Or Year 3 July 2019 – Secure + Year 4 July 2020 – Secure +</p> <p><u>Secondary</u></p> <p>Year 10 July 2019 – Grade 5 Year 11 July 2019 – Grade 6 Or Year 10 July 2019 – Grade 6 Year 11 July 2019 – Grade 6</p>

Attainment

Attainment Grading Scheme

Phase	Below Expected Attainment for Curriculum Standards	A Expected Attainment for Curriculum Standards	Above Expected Attainment for Curriculum Standards	
1. Foundation Stage	Emerging	Secure	Exceeding	
2. Primary	Working towards	Secure	Secure +	Exceeding
3 Secondary (Year 7 - 11)	Grades 1 – 3	Grades 4 – 5	Grade 6+	
4. IB (Year 12 – 13)	Grades 1 – 3	Grade 4	Grade 5+	

Recording of Data

Tapestry

Tapestry is the main digital platform that is used to record and measure attainment and progress of each student in the Foundation Stage. Each child is assessed against the ages and stages objectives through observations of independent learning and focused group work within all areas of the curriculum. This then leads to an overall attainment grade for the students against age expectations (on track, currently not on track). Overall attainment is measured through the coverage of age expected milestones.

Go4Schools - Primary

Go for school is the main digital platform that is used to record and measure attainment and progress of each student in primary (Year 1 – 6). Each student is assessed against each objective taught (Target, almost met, met, exceeding) within all core subject. This leads to an overall attainment grade for the student against age expectations (working towards, Secure, Secure +, exceeding). Overall attainment is measured through the percentage of objectives met or exceeded of those objectives that have been assessed at the point of the data capture.

Go 4 Schools is used to assess attainment and progress of each student and identify gaps in learning which inform interventions and future planning. Teachers to consistently update classroom monitor to ensure an accurate picture of attainment for each student.

Go4Schools - Secondary

Formative Assessment (Drips)

The Secondary School uses Go4Schools as a method for tracking assessment results and data throughout the year. There is no specific data capture point where staff are required to input current grades, as this takes place throughout the year. Data is live and real-time, ensuring that a current working at grade is automatically updated and generated with the weighting of various assessments. However, there are snapshots at the end of each term where quality assurance takes place with Subject Leaders and the Leadership Team.

Summative Assessment (Drops)

In the Secondary School, teachers input a grade for each markbook sheet on Go4Schools and it then generates a current working at grade for that subject, weighted according to the subject leader. This is then measured against their baseline, end of year targets and ALPs Indicators. The data is analysed on a Senior Leadership and Middle Level Leadership level using Go4Schools and during Pupil Progress Meetings.

Teachers also record student behaviour and achievement, attendance, attitude ATL, key assessment data and quality of homework for each data capture.

Each subject and class will have a markbook which consists of the following:

Mark book Requirements

1. All mark books should have weighted components and reflect the nature of the course / curriculum for

- your subject. (KS3 – one year, iG and IB – two-year MBs.
2. All mark books should reflect the assessments rubrics/ curriculum standards at KS3 and / or assessment criteria at GCSE /IB. (1-9) or (1-7)
 3. All mark books have applied grade thresholds (if using marks) that align with the national agenda for attainment and examination boards.
 4. All mark books have a column or columns to record **Drops** and **Drips** in each term. The frequency of each will look different in each subject and key stage. Further details including frequency of each can be found in department handbooks.
 5. Each mark book should identify strengths/weaknesses in students' knowledge, understanding and skills. The data recorded will help tailor the future planning of lessons.
 6. Each mark book should show the students' learning journey and progress over the key stage and qualification

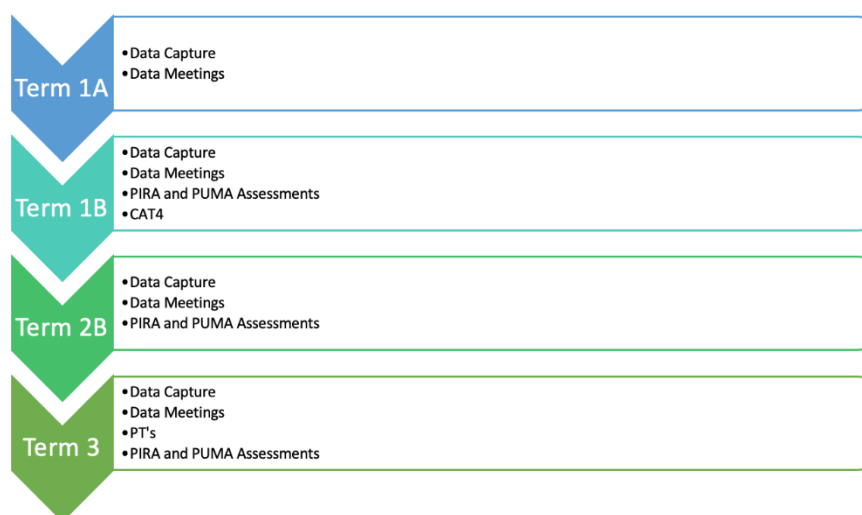

Other software used to support assessment:

- Active Learn
- Century Tech
- TT Rockstars
- Numbots
- Accelerated Reader
- Nearpod
- Seesaw

Assessment Cycle

Primary

Data is collected continually through the use of our assessment platforms. Data capture points are held 4 times throughout the year. At each data capture point progress and attainment data for every student is gathered. Data is analysed at class, cohort and subject level for all core curriculum areas by teachers, Heads of Year, Curriculum Leaders and SLT. Data meetings are held with teachers identifying focus students and strategies put in place to maximise progress and raise attainment. Cohort and curriculum data are presented to SLT, identifying trends in data, focus groups of students and strategies to raise attainment and progress.

Secondary – Explained above

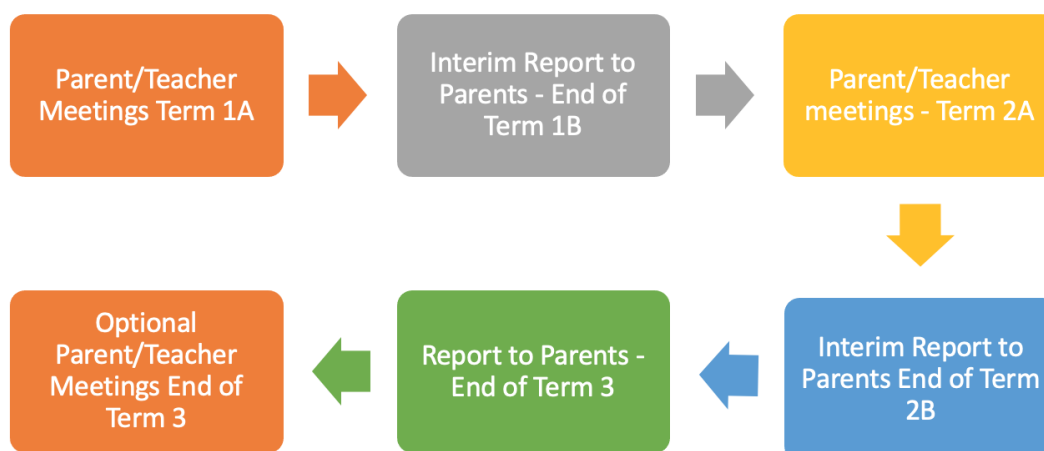

MONITORING

Assessment will be regularly monitored by leaders at all levels to ensure accuracy and consistency, following a robust quality assurance schedule. Quality Assurance forms an integral part of regular departmental meetings, with routine dialogue with subject SSLT links. With regards to assessment quality assurance, the largest focus is on the moderation of work and assessments. Following the marking and summative grading of work, departments are required to cross-moderate to ensure the accuracy of grading. SSLT Links will also take a sample selection of students to ensure this has been conducted. This must all be referenced using the various proformas on Lessons Learned. Other quality assurance will include:

- Lesson observations
- Book looks
- Planning checks
- Learning walks
- Data captures
- Data meetings
- Go 4 Schools checks
- Moderation
- Triangulation of data

Reporting to parents

Reporting cycle – Primary

Reporting cycle – Secondary

We regularly update parents on the progress of students. There are currently three reports sent home to parents during the academic year. In most cases, these are progress reports with a summary of the key data for each subject each term. One of these is an annual written report that includes key data, plus additional comments including strengths and areas of improvement for each subject.

Parents are also invited to attend parent teacher conferences throughout the year. Reporting data and attitude to learning forms an integral part of these. Students and parents in secondary school have access to Go4Schools and are able to see the real time and live assessment data of their children, in addition to attendance and behavior records.

Report Dates G4S Deadlines	T1 Snapshot	T1 Report	T2 Snapshot	T2 Report	T3 Snapshot	End of Year Report
Year 7	ATL HW Update AG (if required) Core subjects	ATL HW Update AG (if required) All Subjects	ATL HW Update AG (if required) Core subjects	ATL HW Update AG (if required) All Subjects	ATL HW Update AG (if required) Core subjects	ATL HW Update AG (if required) Student Comments All Subjects

Year 13	ATL HW Update AG (if required) All Subjects	ATL HW Update AG (if required) Comments All Subjects	ATL HW Update AG (if required) All Subjects	ATL HW Update AG (if required) All Subjects		

Parents/Teacher meetings

Formal parent teacher meetings are held 3 times a year in primary and twice a year per year group in secondary. Parents meet with the class and specialist teachers. Teachers share progress and attainment information and next steps in learning. Parents can request further meetings throughout the year if required.

Interim Reports

In Primary parents will receive interim reports 2 times within the year which outlines attainment and attitude to learning in all core subjects. In Secondary this will be across all subjects along with homework, attendance and punctuality.

End of Year Reports

In Primary parents will receive an end of year report which outlines attainment and attitude to learning in all curriculum areas as well as areas of strength and next steps in learning for all core subject areas. In Secondary, students will receive the same along with a homework grade and their overall attendance and
